

Natural relaxation at Romantik

Romantik Hotels introduce their new brochure covering 66 Romantik Spa Hotels in 5 European countries

66 well-being addresses in 5 European countries for relaxation and pampering can be found in the Spa Brochure of Romantik Hotels & Restaurants. The three transparent categories "Wellness Plus", "Wellness" and "Wellness Light" as well as the bilingual description of the offers help to select the right hotel.

Under the headline "For body, mind and soul" the Romantik Hotels invite guests to discover the varied world of beauty treatments, relaxation offers and well-being facilities.

Due to the three transparent categories "Wellness Plus", "Wellness" and "Wellness Light" every one will find the offer corresponding exactly to his or her wishes. Each of the 66 Romantik Spa Hotels in 5 European countries has its own character – all know what you as guest want.

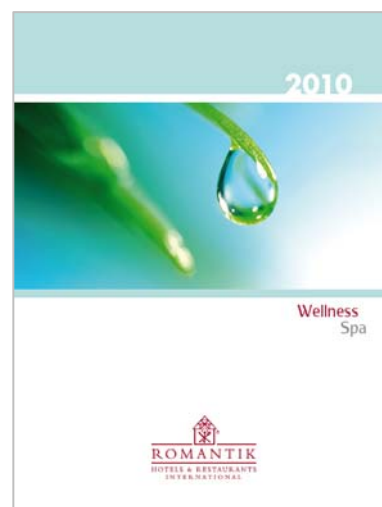

The **Romantik Hotel La Bastide de Gordes & Spa** – located in the Provencal Gordes – has a 800 sqm recreation area with indoor- and outdoor pool and offers an exceptional view over the Lubéron Valley. An

authentic Thai Spa with the melodious name "Kinnaree" attracts guests at the **Romantik Seehotel Ahlbecker Hof** on the island of Usedom. Further to the south, in the Austrian Döbriach at the lake "Millstättersee", the **Romantik Hotel Seefischer am See** offers a sauna on the water: After visiting the fishing sauna – built on stilts directly in the lake – only a few steps have to be taken for cooling in the lake. A grotto, filled with pure ice-crystals, is the ideal contrast after a sauna session at the **Romantik Hotel Schweizerhof** in Grindelwald.

Wellness vouchers as give-away are available on www.romantikhotels.com.

Romantik Hotels & Restaurants

On the banks of a lake, high up in the mountains, on the shores of the sea, near the bustling village square, in the middle of the green woods... The location of the 205 privately-run, historical Romantik Hotels & Restaurants in 10 European countries is always something extraordinary. Regional specialities, typical local architecture, as well as a distinctive climate and unique qualities of the people

shape the character of each hotel and restaurants just as the individuality of the hosts. 66 spa hotels in 5 countries and 23 restaurants awarded with a Michelin star are the epitome of well-being and indulgence on the highest level.
